MARY KAY

Fund Raiser

Let us help you raise money for your group!

POTENTIAL CASH:

Earning money for your group is easy!

Unlike many fundraisers where you only earn about 5-10% of the *ACTUAL total profits, with me you will earn

40% of your total sales!!!

What's in it for YOU?

In addition to earning money for your group, you **can earn special REWARDS!!!**

Rewards can include **FREE Mary Kay products, gift cards to local stores, or other fun prizes, etc.**

(Whatever is appropriate for the gender and age of participants.)

• **20** participants.

• Each sell to **20 people**

at an average of **\$20** per sale=

Total sales: \$8000 X 40% =

\$3,200!

*Many home based businesses offer to do FUND RAISERS as well as MARY KAY and there are a lot of GREAT companies out there. However, Mary Kay pays their Consultants the highest commission on sales so your group has the potential to make a lot more! For example: Home & Garden Party Consultants make 35%. SO, they may offer you 100% of THEIR profits BUT that would only be 35% of what your group sells. Mary Kay Consultants make 50% so when I give you 40%, it is actually 40% of your total sales. I set aside 10% for incentives and expenses (books, sales tickets, etc.)
