OMG! I'm SO excited! I'm at an anti-aging & makeup artistry work-shop and I learned so much! I'm scheduling one of their pros for a private session and I can share it with 5 of my favorite people and you were one of the first people I thought of! Best part, it's FREE! I need some GIRL time! Are you in?

Please be assured I treat each friend or family member with the utmost care & respect! ♥

Thank you for supporting my small business!
